\$20 PER SHIRT**

Kaitaia's Inaugural Speech Competitions.

Tuesday 14th was the date for the very first speech competitions held in Kaitaia for our northern schools. Eight schools participated with Laura Gorrie (Yr 6), Lily Mathews (Yr5) and Daniel Bunn (Yr 4) representing Mangonui School.

They were selected from a wonderful group of their peers who took on the difficult challenge of not only writing a speech but presenting it to the whole senior school. Well done Hitisha, Marijka-Rose, Jamie, Jordan, Zana, Tayla, Emily.

Our three representatives not only did Mangonui School proud, but Laura came away with the trophy for first place in Year 6. Once again we commend their efforts and willingness to take on such a difficult challenge

Registration Night

The Doubtless Bay swimming club would like to invite all swimmers to register for the upcoming swim season. The club has a new head coach, Ashleigh Chadwick, with Lee Anne Jury continuing as instructor for the junior levels at Mangonui. Come and hear Ashleigh and Lee Anne outline the new, improved programme for 2010/2011. This will include restructured swim levels with full-pool length, half hour sessions at Taipa and an extension programme for swimmers who have completed the Learn to Swim programme. All levels will undertake a water safety and survival techniques programme. Join the 5 race nights that are planned with an emphasis on fun, including novelty relays – even the parents will be racing.

Registration night will be held on Wednesday 13 October (first week of Term 4) at 6pm, Taipa Squash Club.

Place Value Thousands

Submitted by Frances Neill on Tue, 01/27/2009 - 23:58

Purpose:

The purpose of this activity is to help your child read and order 4 digit numbers.

What you need:

A pack of cards with the picture cards removed (aces count as one).

A sheet of paper for each player with 3 columns headed hundreds, tens, and ones. The columns need to be big enough to place a playing card in each space.

Thousands	Hundreds	Tens	Ones

What to do:

The object of the game is to make the biggest number with 4 cards that have been randomly turned over.

The cards are placed in a pile, face down in the middle of the table.

Players take turns to pick one card from the top of the pack, turn it over, and place it in either the thousands, hundreds, tens or ones column. Once a card is placed onto the paper its position cannot be changed.

Once each player has their four columns filled, players read their numbers and the player with the largest number wins.

Our cross country team for the Mangonui County Finals at Houhora numbered thirty! Results were amazing with lots of top fifteen place-getters.

The Year Three girls were especially successful with, Leela, Cherie and Tara coming in first, second and third closely followed by Claudia (5th) and Porsha (6th).

Nine runners Zana Yates-Walker, Maddie Smith, Isaac Nijenhuis, (Yr 6)Holly Spicer, Rory Jones, Rameka Reid, (Yr 5) Jaxon Hall, Shaylah-Rose Lee-Miller, Katelyn Franklin (Yr 4) qualified for the Northland Championships (Barge Park in Whangarei)

23 October 2010 Kia O ra Koutou

Over the last year Mangonui School has had a substantial growth of students in the junior area of the school. As a result the school is employing two experienced teacher aides to work every morning in both junior classrooms to support the Literacy and Numeracy programmes. This brings the teacher / student ratio to a very acceptable level. We know how important it is to support our students through their early years at school.

The Ministry of Education have also indicated that they will continue to provide funding for a New Entrant and Year 1 teacher next year. We are very fortunate to be able to offer our students experienced and specialised teachers for every year level at Mangonui School.

On Monday the teachers are back in the classroom learning a few new tricks on their interactive white boards and also working on planning for Term 4. We already have a very busy term scheduled.

Have an enjoyable time with your children over the break. See you next term.

Dave Sedcole
