Kia Ora Whanau,

Issue 6 - 11th May 2017

Welcome back to Term 2! We have lots of activities planned for this term starting with the Year 5 Taniwha Team heading down to the Auckland Zoo. What an awesome experience these students will have spending an overnight at the zoo. We also have a special planting day organised as KiwiCan Orchards have awarded our school 20 fruit trees. We want to keep planting the area below the bottom court so eventually we can supply ourselves with fruit over the winter months. Matariki (The Maori New Year) is celebrated towards the end of the term. Our focus will be games. If you have any knowledge of traditional Maori games or know someone who has please let us know. Most of our students will be learning to play Ki-o-rahi this term and two teams will be entering the Taipa Area School competition.

Principal Korero (continued from front page)

At the beginning of the term Veronica Masters (Mrs Masters) was welcomed to Mangonui School by the students, whanau and staff. It has been great having Veronica on our team and we welcome you warmly to our kura. Besides this being a lovely start to the term, it is worth noting that the senior students totally organised and ran the powhiri. This was once again a fantastic example of the leadership our students display. Thank you also to our students who attended the ANZAC parade and laid the wreath for our school.

This week I attended the second meeting of the Strategic Leadership Principals Programme. It is an amazing opportunity working alongside some of Northland's experienced business leaders and getting their perspective and advice on how to run our schools. Linking the business and school thinkers together is an interesting mix. Last time we discussed Vision and the importance of having a clear, easily understood statement that captures the essence of your purpose. This has brought about lots of discussion with our whanau and a survey been sent out to gather opinions. What came back showed that our Vision Statement needs to include the word 'Leader'. This was a definite choice made by the majority. It is really important that we get this right as it will lead what other choices we make as a school. The great thing is that 'Leadership' fits in very strongly with our graduate student profile we conducted last year. We want our students to be leaders of themselves and their learning. To be leaders of their school and eventually their community and other communities. We need to make sure that learning opportunities are about students taking the lead and moving away (as I have mentioned before) from teacher led classrooms. Our new strategic plan will lay the plans for this to strengthen in our school.

The person who is leading our SLPP is Greg Gent who is the Mayor of Kaipara District. He also chairs the Southern Cross Health Group and FMG. He is a really wise guy with lots of sound advice. He was saying one of the biggest challenges for education is to realise that we are teaching for the future. It is something that we need to discuss and spend time thinking about what our students will need to have in a future world. The vision of our students learning to be leaders is exciting and something I would want for my children. Thank you to all the parents, students, teachers and BOT members that contributed to giving direction on where we need to head. Aim High - Future Leaders

This week Marley Kai Sedcole turns 1. I cannot say that it seems like yesterday he was born as it does seem like a year! BUT.... it has been a major learning curve and definitely changed me as a person. I 'get it' that parents are anxious about their children and want the very best for them. It is really interesting thinking about Marley and what skills he will need when he 'pops' out of the education system. What type of jobs there will be? What skills will he need? Will 123 and ABC still lead the pack of importance in what we learn?

The Ministry of Education have a very robust attendance system that we fill out twice a day. It is really important that if your child is away that the school office also knows why they are away. Please ring/text the school office and let Catherine know. Ph 406 0182 / 021 544 702

Have a great weekend.

Dave Sedcole

Term 2 Weeks 1 & 2

The Principal's Awards went to

Jarn Foster - Kaitiaki of Others

Kotuku; The Caught Being Good Duffy Award went to **Lexi Bradbury** for writer of the week. Kaitiaki Award went to **Skyla Hoult** for her positive attitude to all of her school life.

terms. If interested please contact

Jordan on 021 083 13099 or at

freedomtheatre18@gmail.com

‘HAND ME DOWN’ CLOTHES FOR SCHOOL

We REALLY need boys t-shirts, shorts and underwear to have on hand for when ‘accidents’ happen at school. We would appreciate any clothes you can spare to be dropped into the office :-)

POOL KEYS

The school pool IS CLOSED

Please return your key to the office
ASAP

What's been happening in Pukeko and Nga Ringa classes.

Pukeko class making playdough.

Pukeko class making a very, very long toy. It could touch the roof!

Pukeko and Nga Ringa doing investigations in preparation for our sand dune trip next week.

Pukeko and Nga Ringa classes learning about the traditional game Ki O Rahi. We did lots of running and had lots of fun.

SPEND TIME WITH MUM ON MOTHER'S DAY

Try this fun take on eggs on toast, ideal for Mum's breakfast or brunch:

Egg in a nest

Ingredients:

- 4 slices wholegrain bread
- 1 Tbsp oil
- 4 eggs
- Freshly ground pepper

Method:

1. Cut a 4cm hole (use a biscuit cutter) in each slice of bread
2. Brush oil on one side of each slice of bread
3. Place the bread oil-side down in a frying pan on medium heat
4. Break an egg into the hole of each slice of bread
5. Once the egg starts to set, brush on a little oil and turn to cook on the other side
6. Sprinkle with pepper

Have fun outdoors

- Go for a walk together in a park, the beach or a bush walk
- Pack a surprise picnic and head outdoors even if it's just the back yard
- Challenge your Mum to hula hooping, skipping or family relay races
- Participate in a Jennian Homes Mother's Day fun run/walk see if there is an event near you: jennianmothersday.com
