Issue 9 - 29th June 2017

Kia Ora Koutou

Term Two is about to close off with yet another very successful action packed authentic learning term. One of the things that has really stood out this term is looking at the way our students interact with each other. There have been multiple examples of situations where students have displayed the 'Kaitiaki' behaviour that we teach and preach at our school. A school has many functions but one of the most important is learning how to be a community member and understanding our role within that community. To be kind, respectful and caring are key to making good people of the future. It is a daily feature of my job to hear stories of our children and the positive way they live and learn beside each other at Mangonui School. Thanks for a special term!

## Principal Korero (continued from front page)

Our new vision statement - Leaders of Tomorrow / Nga Rangitira mo apopo will only be some words unless we move to the next stage and look towards the next five years and ask ourselves "What are the key actions, tools, capabilities, resources we need to really make our students the leaders of tomorrow?" We want to gather as much 'voice' as possible from our school community to develop a Strategic Plan that provides direction for our school. Identifying the critical actions that we need to take. So far we have carried out two workshops and it has been really interesting what has come out of these. Overwhelmingly there has been a call to ensure that 'ALL' our students get opportunities to be leaders. All students need to shine and recognise they have a skill set. We have students in our classes that are great at drawing but may struggle with reading. Does our current curriculum plan consider the artist as a leader and provide opportunities for this to happen? Do we provide enough opportunities in our classrooms for the students to be leaders or are they teacher driven? This is a really good opportunity to build on what we already are doing and also make some significant changes as we work towards our vision of students as leaders. We will be providing opportunities for all our parents to develop our Strategic Plan and get your ideas on what we need to do to create leaders of tomorrow.

The Far North Cluster Kanui Ako of schools (which Mangonui is a part of) met again last week to participate in planning to get it up and rolling. There are over 20 schools in this cluster of schools. The big idea is to ensure that we are all working together to provide excellent learning for ALL the students of the Far North. Rather than having one school stronger than the other that we all are strong schools and share our resources to make this happen. One of the big goals for our cluster of schools is student agency. This is about students taking more ownership and responsibility for their learning, becoming the leaders of their learning. Student Agency is a worldwide focus in education and certainly is a worthy mission. This focus for Kanui Ako also fits very well with our vision as we want our students to be leaders of their learning. There are also lots of other opportunities that are coming out of the Kanui Ako that will only benefit our schools in the long term.

I would like to thank Catherine Macpherson (Mrs S) for the mahi she has done in the school office over her time at Mangonui School. Office Administrator at all small schools is a very demanding position. You need to be able to juggle many balls at once and remain calm! I know we will all miss you and the efficient manner in which you run the school office. Catherine is moving home to Whangarei at the end of the term.

Lastly I want to say a big thank you to the great staff we have at Mangonui School. We are a very fortunate school to have such a professional and passionate crew. This term I have worked in the Kotuku classroom which at times could have been slightly overwhelming but it hasn't because of this group of people working alongside me. What we have achieved this term has been fantastic exciting learning full of experiences and fun for our students, (sand dunes, ki-o-rahi, marae visits, netball competitions, penguin boxes etc). Thank you to all our staff at Mangonui School for your mahi this term.

This is the last newsletter for this term so have a very happy and safe holidays.

Dave Sedcole

## Term 2 Weeks 8 & 9

The Principal's Award went to

**Jasper Broughton - Kind and Caring to Others**

**Kotuku;** The Caught Being Good Duffy Award went to **Jreh Van Iperen. Sharky Broughton** for his enthusiasm for learning.

**Taniwha - Year 5** Caught Being Good Duffy Awards went to **Carter Bird** for taking the time to help others with the weaving of their Putiputi; **Carlos Lloyd** for his continuous help and positivity in getting our class ready each morning; Kaitiaki award to **Orion Broughton** for using his growth mindset to persevere and create a Putiputi; **Ella Knight** for taking the time and care to revise and present her writing; Achievement Award to **Melodie Pikaahu Ruka Vahaakolo** for investigating Matariki at home and presenting your findings to the class. He tino pai hoki koe! **Jason Errey** for his commitment to solving and understanding difficult mathematics problems.

**Year 4 -** Caught Being Good Duffy Award went to **Azayliaz Wiki-Henare** having a great attitude by never giving up when learning gets hard; Kaitiaki award to **Niko Huriwaka** for being a focused learner and doing a great job writing about his kaitiaki superhero; Achievement Award to **Jordayne Spaander** taking responsibility for her learning by managing her learning independently

**Active Ferns;** The Duffy Caught Being Good Award went to **Te Ahere Henderson** for her amazing reading. She uses expression in her voice and her can-do attitude shows the growth mindset we love! **Taniora Pike-Venner** for showing a growth mindset and having a go at his maths in his own time - and succeeding! Kaitiaki Awards went to **Cooper Hare**. He showed kaitiaki by taking time out of his weekend to replant Rangikapiti Pa. **Jasper Broughton** for his responsible and caring attitude that is essential to our class! Star Student certificates went to **Brock Muller** and **Brendon Dowman**. **Brock**, for his effort in writing. He wrote so many new vocabulary words and didn't hesitate from taking a risk! And **Brendon** for his positive attitude to learning. He is an enthusiastic learner who brings a growth mindset to all he does. **Katie George**. She has been putting so much effort in her reading and maths - even when things get tough! Bravo!

**Taonga;** The Duffy Caught Being Good Awards went to **Summer-Rayne Duval-McKay** for writing an excellent information report on the Oystercatcher. **Cooper Hibbard** for giving thoughtful answers to questions about what he has been reading and **Kowhai Tomars** for working hard to re-read her writing often to make sure what she is writing makes sense. The Kaitiaki Awards went to **Anthony Tepaina** and **Angel Keogh** for working hard to be in the right place at the right time, doing the right thing. **Hemi Kauvarevai** received a Kaitiaki award for his positive attitude towards all learning. **Ace Skinner** received a class award for his Information report writing about Dotterels. **Lucas Swift** received a class award for sharing his ideas and participating in thoughtful discussions to improve his understanding of what he is reading. **Mia Millichamp** received a spelling award for learning all words in Essential Lists 1-8! Reading Awards went to **Keylee Byford** for 25 nights. **Sam Morgan, Vincent Tomars-Monsall** - 50 nights. **Millan Bradbury** - 75 nights. **Anthony Tepaina, Marley Maita, Ace Skinner, Husayn Nohotahi** - 100 nights

**Nga Ringa Awhina;** The Duffy Caught Being Good Award went to **Nico Bain-Couper** for Making excellent progress in reading. **Rata Smith** for learning new words. The Kaitiaki Award went to **Liam Thomas** for picking up rubbish every morning. A reading award went to Hoani Pike-Venner for 125 nights reading.

**Pukeko;** **Shiloh Chapman** - Kaitiaki to others - kind and caring. **Ashon Chuck** - Learning lots of words and being keen with his learning.
